

PRAYER TO ST. ANTHONY MARY CLARET

St. Anthony Mary Claret, during your life on earth you offered solace to the afflicted, compassion to the sick and encouragement to those seeking God. Guide and comfort me, and all who are dear to me, on the road of life. May the same grace that filled the Blessed Virgin Mary – and you as her child—fill me with the love and confidence I need to face all the challenges of my life. Watch over me as you did those under your care as missionary, archbishop and founder. Let me learn from your tireless zeal how to live, work and die for the Lord. I turn my cares over to God, and move forward with the same hope that sustained you in this life and led you to eternity. Amen.
